

PRITESH RAI

M.Sc. Physics | National Institute of Technology Karnataka (NITK), Surathkal

Email: priteshrai.246ph025@nitk.edu.in

Mobile: +91-9569496981

OBJECTIVE

Motivated MSc Physics student at NITK Surathkal with a strong academic background and hands-on internship experience, seeking research opportunities in the field of solar cells and renewable energy materials. Keen interest in perovskite-based photovoltaics and semiconductor physics.

EDUCATION

National Institute of Technology Karnataka (NITK), Surathkal

Master of Science (M.Sc.) in Physics

2023 - Present

Key Interests: Solar Cells, Perovskite Materials, Condensed Matter Physics

Udai Pratap College, Varanasi

Bachelor of Science (B.Sc.) in Physics

2019 - 2022

CGPA: 7.8/10

SDMS Inter College, Varanasi

Class 12th (U.P. Board) - 2019

Percentage: 76%

SDMS Inter College, Varanasi

Class 10th (U.P. Board) - 2017

Percentage: 78%

RESEARCH & INTERNSHIP EXPERIENCE

Indian Institute of Technology (IIT) BHU, Varanasi

Intern - Department of Physics

Duration: [Insert Month-Month, Year]

- Gained experience in material characterization techniques.
- Worked on semiconductor materials relevant to solar energy applications.
- Assisted in laboratory setup and analysis related to photovoltaic materials.

TECHNICAL SKILLS

- Software & Tools: Origin, XRD analysis tools (e.g., QualX), MS Office
- Techniques: UV-Vis Spectroscopy, XRD, FTIR, EIS
- Programming: Basic Python (if applicable)

PROJECT INTERESTS

- Design and fabrication of perovskite and thin-film solar cells
- Optical and electrical characterization of photovoltaic materials
- Energy bandgap analysis and stability improvement

STRENGTHS

- Strong theoretical and practical foundation in condensed matter and material physics
- Quick learner, research-oriented, and highly motivated
- Good communication and teamwork abilities

LANGUAGES

- English - Proficient
- Hindi - Native
